CHAT POUF

Description:

**Be creative** This pouf works in all kinds of environments and in many different ways. Choose an eye-catching colour to make a statement or a natural shade for a minimalistic look. The possibilities are endless, and it's up to you to be creative. The CHAT pouf is lightweight and easy to move and store.

Year of design: 2008

Function:

Unique and elegant. The pouf is uniquely adaptable to different locations. Whether it is at home, in the office lounge or even in public places like museums or concert hall foyers, the pouf adapts to the space and harmonises with the atmosphere. The distinctive design conveys its own signals and was created to provide a place to sit and enjoy chatting, which is why it came to be called "CHAT". This lightweight pouf is easily movable, which makes it possible to enjoy different layouts and arrangements by changing the location whenever you like.

Design: Hiromichi Konno

Japanese product designer Hiromichi Konno has worked as an assistant designer for Ross Lovegrove for three years. In 2002, he went independent, initially based in London in the UK. Konno has now been based in his homeland, Japan, since 2007 and is working on various international projects including furniture and home accessories.
