CORAL

Art. no.: 2-553

Description:

Unique and charismatic The CORAL pouf is inspired by one of nature’s most delicate and beautiful organisms. The two-tone look and diagonal lining of the seat creates a unique and charismatic look. CORAL is truly a multifunctional piece of furniture. Be creative and combine the colours and materials to perfectly complement your interior.

Year of design: 2011

Function:

- High comfort.
- Decorative.
- Multifunctionel.
- Easy to move.

Function:

Geometric and funtional design...
A ultrafunctionel pouf with its sculptural design is a quite right accessory in an exciting design. A play with classical, geometric forms gives a design that surprises and challenges the common comprehension of this classical type of furniture.

Design: Busk+Hertzog

busk+hertzog was established in Denmark in 2000 by Flemming Busk and Stephan B. Hertzog, and their successful studio, today located in Lisbon Portugal, has won more than 75 of the most prestigious international design awards, including Red Dot Award - Best of Best, IF Awards and Good Design Awards. busk+hertzog’s design characteristics are sculptural, clean lines and a simple expression with minimal embellishment, and they often get their inspiration from shapes and lines found in nature.
