CUT

Art. no.: 2-485

Description:

Round and round With the round shape and asymmetrical placement of the seams, CUT is a uniquely designed pouf that works perfectly as practical seating on its own or as a part of a larger group of furniture. The round shape makes it versatile and easy to place anywhere, be it in the middle of the room, in corners or against a wall. The ornamental seams are the result of a creative approach to a practical problem: Getting the cover to fit the round shape perfectly.
