NOOMI STRING CHAIR

Art. no.: 2-445

Description:

Growing into something new With references to branches on a tree, the delicate and slightly bent legs seize the upper part of the NOOMI chair and create a strong graphic expression. The frame is light, but distinctive with a modern shape that almost makes the soft, rounded upper part of the chair look like it's hovering above the floor. An ultra-modern chair where steel and fabric meet in a harmonic and organic whole. Winner of Good Design Award 2017 Winner of German Design Award 2018

Year of design: 2016

Design: Susanne Grønlund

After completing her training at Danmarks Designskole, Susanne Grønlund set up her own studio 1991 and since she has designed and developed a wide and rewarded range of products like: textiles, clothing, toys, lifestyle products, lamps, outdoor furniture and not least furniture. Common for all the new ideas is that they all take starting point in a simple and easy to grasp design style without compromising the function and quality. Her red thread is the Scandinavian design tradition with a humorous contemporary touch which is all combined in a continuous row of innovative ideas and projects, like beads on a string.
